

Application - Email for Married Women

Hi (name),

Thank you so much for praying about participating in the Titus2 group. I am so excited about the possibility of sharing our lives with each other. I am sending you the application for the Titus2 Mentoring Women's group, and the covenant you will be asked to sign. As I mentioned in the first email, this is a year of commitment that will involve meeting monthly as a group, then one-on-one meeting, usually once a quarter, unless you desire more often. Also, we will go on a retreat within the first two months. Each month we will focus on a different topic, read a book, and memorize scripture together. In addition, each month there is a marriage "focus" for you and your husband to have an opportunity to communicate on different topics.

I have attached the application and covenant you will be committing to. It would be good if both you and your husband would read the covenant to confirm you are still able to make the commitment to participate. Please fill out the application and send it back to me no later than (date). I am looking to fill (number) spots for the group and will need to know as soon as possible.

I am honored that you have expressed an interest in participating. I believe God will do more than either of us can imagine! Feel free to call or email me with any questions you might have.

Also, please send a quick reply so that I know you have received this email.

I will be praying for you,
